

ACCEL-5350 Series

Built To Conquer

ACCEL-5350 Printer Series – Rugged Dependability for Those Tough Jobs

When you need a heavy-duty printer for those demanding applications, choose the ACCEL-5350. It provides added versatility by combining a super-impact printhead with a powerful bottom-feed forms tractor to conquer even the most impossible jobs!

The Paper Handling Expert

- Straight-thru paper path
- Single/dual tractor models plus cut sheet
- Cut form sets up to 33" long
- Snap-in printer cartridge and color printing

The Form Pounder

- 12-part forms with carbons capability
- Tough 24-pin printhead, 480 cps print speed
- Demand document

Ready for Any Application

- 5 standard emulations and many optional ones
- Patented Select-dial™ control panel for easy setup and configuration
- All metal chassis

Heavy Duty Versatility

Some jobs call for the special expertise and record-breaking capabilities only the ACCEL-5350 has to offer. This versatile, heavy-duty operator can easily conquer even the toughest printing applications.

- Super-impact (si) printhead for tough forms
- Auto Bail
- First and Last line printing
- Automatic paper load and park
- Forms on demand
- Paper out and jam sensing
