NQ86A (12/07)

Standard Features Included On All Dispensers*

Fast Flow	VSRS	Moisture & Powder Collection Tray	Direct Drive	Power Whip	Self Cleaning	Quick Change Transparency

- **Fast Flow** – Dispenses beverages 30% faster, reducing wear & tear on major dispenser components.
- **Vacuum Steam Removal System VSRS** – Ensures the powdered mix remains dry to eliminate clogging, caking and bridging.
- **Moisture & Powder Collection Tray** – Prevents excess moisture & product powder from reaching the vacuum motor.
- **Direct Drive Auger System** – Ensures perfect hopper alignment & "silent running".
- **Power Whip** – Carefully whips the product into a delicious, creamy drink.
- **Self Cleaning** – Rinse system is touch button easy & rinses the entire whipper chamber with hot water at the end of each cycle.
- **Quick Change Transparency** – Simply lift up 2 tabs and pull out the graphic.

Additional Features Found On Certain Dispensers.

Vertical Lift Door	F.A.S.T. Service	Stainless Drip Tray	Easy Bulb Access	Slanted Whipper Chamber	Molded Fascia	Intelligent Technology 2
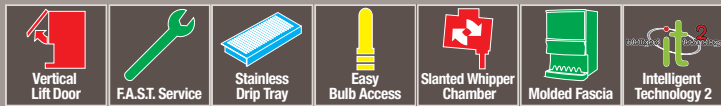

- **Vertical Lift Door** – Hinged on top, provides easy access to the inside of the dispenser.
- **FAST Service** – *Front Access Saves Time*, allows access to major components through the front of the dispenser.
- **Stainless Drip Trays** – Allows for easy cleaning.
- **Easy Bulb Access** – New style screw-in bulb.
- **Slanted Whipper Chamber** – Provides optimal mixing of product & keeps it flowing away from the motor seal.
- **Molded Fascia** – Attractive contemporary design with extra large P.O.S. display, draws customers to the dispenser.
- **Intelligent Technology 2** – Digital dispensers featuring touch pad control & large, two line LCD display. With IT2 you can:
  - Set water temperature.
  - Set gram throw.
  - Set for free flow or portion control.
  - View the total ounces dispensed.
  - Set rinse-warning lockout.
  - Set low water temperature lockout.
  - Set serving size.
  - View the number of cups dispensed.
  - Set rinse time.

Optional Features Available On Certain Dispensers.

Portion Control	Triple Portion Control	SMARTSENSE	Hot Water Dispense	Side Panel Graphics	Electrical

- **Portion Control & Triple Portion Control** – Allows an operator to automatically dispense a beverage into 1 (PC) or 3 (3PC) predetermined cup sizes.
- **Smartsense** – Monitors cappuccino powder level, alerts operator when product hopper needs to be refilled, shuts off dispense mechanism on empty flavor hopper, and re-engages when hopper is refilled.
- **Hot Water Dispense Button** – Allows an operator to offer soup or tea.
- **Side Panel Graphics Package** – Beautiful color graphics attract attention from all sides of the dispenser.
- **Electrical** – Export electrical configurations available.

* The standard feature set is not available on the Mini Whipper series.

Budget K Series • 2/3/4/5 Flavor

These models utilize the same reliable components currently available in all models and are designed to service low volume requirement locations using minimum counter space.
