Disney Sing It: Pop Hits Manual

(PLAYSTATION®3)

Getting Started

Starting a game: Before use, carefully read the instructions supplied with the PLAYSTATION®3 computer entertainment system. The documentation contains information on setting up and using your system as well as important safety information.

Check that the MAIN POWER switch (located on the system rear) is turned on. Insert the Disney Sing It: Pop Hits disc with the label facing up into the disc slot. Select the icon for the software title under [Game] in the PLAYSTATION®3 system's home menu, and then press the S button. Refer to this manual for information on using the software.

Quitting a game: During gameplay, press and hold down the PS button on the wireless controller for at least 2 seconds. Then select "Quit Game" from the screen that is displayed.

Hint: To remove a disc, touch the eject button after quitting the game.

Saved data for PLAYSTATION®3 format software

Saved data for PLAYSTATION®3 format software is saved on the system's hard disk. The data is displayed under "Saved Game Utility" in the Game menu.

Compatible Logitech microphone models:

A-0234A

C-U0002

E-UR20

Controls

Your microphone must be plugged in at all times while playing the game. Some multiplayer options become available only when two microphones are connected. Choose Mic Volume from the Options menu to adjust volume levels for each microphone. *Disney Sing It: Pop Hits* can be used with either the SingStar® microphone(s) or the Logitech USB microphone(s). If both are used at the same time, only the SingStar® microphone will be recognized.

Connecting your microphone to the PLAYSTATION®3 is a snap.

1. Make sure the power is switched OFF.
2. Attach your microphone's USB connector to one of the USB connections on the front of your PLAYSTATION®3.
3. Turn the power ON.
4. Load *Disney Sing It: Pop Hits*.
5. Sing!

Disney Sing It: Pop Hits Basics

Main Menu

Sing It

Start the game and use the left or right **directional buttons** to move through the navigation tabs at the bottom of the screen and choose *Sing It*.

Once in the game setup screen, you can select:

- Number of players
- Game mode
- Number of songs

Once you've made your selections, enter the player name. Then, select the song(s) that you want to sing. The buttons that control your selections are shown at the bottom of the screen.

Sing It Pro

Select *Sing It Pro* to access various vocal exercises – from breathing to pitch accuracy.

Awards

Select Awards to check out all the rewards you have collected for excellent singing performances and reaching goals in *Sing It Pro*.

High Scores

View all the top scores for all songs in the game.

Options

Go to the Options menu to change the volume, activate camera, save or load a game. You can also select a new theme and view the credits.

Game Modes

Start singing on your own in single player or invite some friends for a *Disney Sing It: Pop Hits* party!

One Player

Solo

Choose a song or playlist and start singing! You'll see your scores and can rate the songs.

You're On Your Own

Choose a song you know well enough to sing without lyrics, score or pitch marks to guide you. Your score will be displayed at the end of the song.

Multi-Player

Single Mic or Dual Mic Duet

Sing a duet using one or two microphones. Either pass the mic back and forth or use one for each singer. When you use two mics, you can choose which part of a duet you want to sing.

For multi-player games, pair up and sing against other teams. The team who sings together the best wins!

Showdown

Sing against your friends in an all out sing-off. You each sing the same songs and lyrics, and whoever gets the highest score wins! Sing one song or select a playlist and see your cumulative score at the end of all the songs.

Run the Risk

Think you know how well you'll score before you sing a song? Then try Run the Risk and compete against your friends to try to predict your score. Sing together with your opponent and watch the scoreboard to meet or exceed your score prediction.

You're On Your Own

You can play You're On Your Own mode with two or more players. Find out who can sing the best with no on-screen help.

Team Play

Separate all players into two teams. Each team member takes turns singing against another player. At the end of the performances, the highest scoring team wins!

More Cool Features

Sing It Pro

Get Master Class status in *Sing It Pro*. Expanded with more lessons and exercises, *Sing It Pro* offers improved voice coaching. Different exercises focus on distinct aspects of your singing performance.

In each exercise, you'll receive prompts telling you to breathe, start singing, go higher or lower, sing louder and so on.

Select an exercise and repeat it as many times as you want. Your performance in each activity will be scored. Unlock awards and additional exercises when you score well. Pass all the exercises to unlock a master class for great singers.

Sing It Encore

Can't get enough of your performance? Play it back! Use the buttons on-screen for playback. While listening, toggle the effect on and off to see how it changes your sound.

Scoring

Match each note's correct pitch and length to raise your score. Watch the pitch bars on-screen to get feedback on how you're doing.

The score summary gives you detailed information about your performance. Use the info to improve your singing and get even higher points.

Pitch Detection

Disney Sing It: Pop Hits has a sophisticated system to detect a singer's pitch—how high or low you're singing. Watch the wave as it moves across the pitch board to see how close your voice is to the correct pitch.

As you improve your singing and get closer to the correct pitch of each note of a song, your score goes up! Try harder difficulty settings for stricter scoring. In multi-player games, player 1 is always at the bottom of the screen and player 2 is at the top.

Bonuses/Multipliers & Flairs

Hidden Harmonies—Successfully sing most of the hidden background vocals in a song.

Prediction Bonus—Successfully achieve your score prediction in Run the Risk.

True Talent/Accuracy Bonus—Sing most notes in a song at the correct pitch.

Flairs—Accurately sing for several consecutive notes to fill up your Flair meter and boost your Flair level.

Hints and Tips

- Match each note's correct pitch and length to raise your score. Watch the pitch bars on-screen to get feedback on how you're doing.
- Sing several notes correctly in a row to score even higher points!
- Lots of songs have background vocals. Sing the background vocals as well as the lyrics to get bonus points and unlock new items in the Awards screen.
